Life Group Questions

- 1) Romans 7:15 Paul is talking about sin. Discuss what other things your group may do that they don't want to do and things they want to do that they don't. Then discuss how you can reverse direction.
- 2) We hear various people shouting 'truths' that contradict each other. The enemy spends a great deal of time distracting us, confusing us and deceiving us with half truths that ultimately divide us. Discuss some of those issues (there are plenty!) and how we, as Christians, should conduct ourselves.
- 3) The best truth we have is the Gospel that saves us! But it's not always easy to share the Good News with people we know. List creative ways to tell 'your' good news story to make it easier to give this amazing truth to others.
- 4) The truth is...we are all battling something in our lives. Fear, greed, addiction and the list goes on. The kingdoms are colliding with in you and you need to make a choice. End your life group time together with an authentic time of sharing with people that love you and pray for each other for victory.
