Ask, Seek, Knock

Matthew 7:7-12

We ask to find answers

We seek things:

- with value
- that are lost
- that haven't been found

We knock:

- at closed doors
- when we desire entry

We can't ask, seek, knock with selfish intent but with a right heart.

God does not give everything we ask for.

Through repeated asking we learn:

- the mind and heart of God
- what will always be no
- what will always be yes
- what will change depending on circumstances

Jesus calls us to positive action.
